The following website is run by the Potentially Responsible Party (PRP) Group that is responsible for completing the investigation and subsequent cleanup associated with this property. These activities are being overseen by the Texas Commission on Environmental Quality (TCEQ) through their Voluntary Cleanup Program (VCP).

Information on the site can be obtained at: <http://www.cesgriggsrd.com/>

Various reports can be accessed by going to Reports or going to the Links – EPA On-Scene Coordinator. If you have any questions, you can contact the PRP Group by going to Contacts.

Thanks
